**Affiliate Network Professional Network (ANPC) Newsletter**

Dear Affiliate Leaders and Colleagues,

Now is the time to make your voice heard around the world! The Affiliate Network Professional Council (ANPC) publishes the TESOL Affiliate News twice a year. Our past issues have featured articles about success stories, impactful initiatives, and various leadership and management topics from affiliates all over the world. Consider submitting an article for our next publication as we would love to hear about what's happening in your world.

We make the submission and editing process as painless as possible. Pieces can range from 300-1,000 words, have pictures, and are written in an academic or informal, conversational tone. Your voice is essential, the work you do matters, and we want the opportunity to showcase the work of your Board and members! Let us hear from you!

**SUBMISSIONS**

Submissions are accepted on a rolling basis. We will notify you about the acceptance of the submissions after the review of the Newsletter Committee of the ANPC.

Please send your submission to the Newsletter Editor Linh Phung (ltp252@gmail.com) for 2023.

**Shared Stories of Success and Learning:** Has your affiliate experienced success or learned something from one or several of your initiatives? Additionally, your experience can help establish you as a powerful resource for other affiliates engaged in similar challenges or looking for innovative ways of doing things to revive or strengthen the organization.

**Hot Topics:** Has a particular topic impacted your affiliate in the field, and has it taken action to resolve it? Then feel free to share with others who may have similar issues and want to know what steps to reach a resolution.

**New Initiatives Report:** Is your affiliate launching a new initiative? Share this experience with the global network. Your ideas may empower other affiliates, and your experience may open doors for collaboration with other affiliates who have undertaken similar initiatives or who may be looking to try something new.

**Association Leadership or Association Membership Resources:** Has your affiliate found helpful resources to develop its leadership, engage its members, and impact its community? Have you found resources that your members love and consistently interact with? Share these resources to help create an active and engaged global discipline.
