Affiliate Complimentary Memberships

Guidelines

- Each affiliate in good standing (paid dues and completed annual report) has access to seven complimentary memberships each affiliation cycle. *
- Complimentary memberships are not carried over from a previous cycle.
- The complimentary member must be a member of your affiliate. The selection criteria should be defined by your association.
- The individual may not be a current member of TESOL International Association and cannot have held active membership in the last five years. Renewing TESOL members or current TESOL members are not eligible; member status will be verified upon receipt of the application.
- The seven individuals must each complete a TESOL membership application. The name of the affiliate should be listed as the name of the referrer.

How to Submit

- The complimentary TESOL membership applications should be sent to the attention of the TESOL Member Services via fax +1 703.691.5327, email affiliates@tesol.org, or mail to TESOL, 1925 Ballenger Avenue, Suite 550, Alexandria, VA 22314-6820 USA.
- Additional payments for membership add ons (TESOL Quarterly) must be included with the application.

**TESOL affiliates located in countries with a GDP of less than US\$3,000 receive 3 complimentary memberships for leaders each year. These complimentary memberships are separate from the 7 available after annual dues are paid.*
