

Movie Magic Collages

Katherine Rhodes Fields and Tamara Warhol

APPENDIX A: Movie Magic Reflection Chart

INSTRUCTIONS

Read the name of each movie clip on the first row of the chart. While you watch each movie clip, write down a description of the colors that you see. Do NOT only list the colors. Be very descriptive.

For example:

- Do NOT just write *blue*.
- Instead write *dark blue like a sapphire—or—blue like the sky on a clear day*.
