Teacher's Notes: Fast Food Menu

Communicative Practice

The menu contains lots of these sounds: /f v p b h/.

Practice a sample dialogue for ordering food with parts for a customer and the cashier. Then have students do their own role play as customer and cashier, ordering the food they want.

A variation: Each pair/group has a set amount of money to buy lunch. They have to decide what to order so everyone has something to eat, staying within their budget.

Another variation: Groups of students pretend to be the board of directors of Phil's Fabulous Fast Food, an up-and-coming new fast food chain. The board will discuss the items on their menu, deleting some items or suggesting additions.
