

TESOL SYMPOSIUM 2015

28 - 29 July 2015 – DA NANG CITY, VIETNAM

This TESOL symposium will be the first of its kind in Vietnam. Based on the foundation of Vietnam’s National Foreign Language 2020 Project (NFL 2020), TESOL International Association will bring six speakers from around the world to talk about English language teaching innovation, implementation, and sustainability. This event will focus on the drive to increase language proficiencies for students and teachers. You will participate in hands-on training that you will immediately be able to implement in your classrooms or use in your university studies.
