

# INNOVATIONS AND BREAKTHROUGHS IN ENGLISH LANGUAGE TEACHING

A TESOL SYMPOSIUM IN CANCÚN, MÉXICO

4 NOVEMBER 2015

## TESOL INTERNATIONAL ASSOCIATION IS COMING TO MEXICO!

Join TESOL in examining how English language teaching and learning have changed since the beginning of the 21st century. Explore current breakthroughs and innovations that have shaped the classroom of today through practice-oriented, interactive sessions.

### ORGANIZED IN PARTNERSHIP WITH MEXTESOL

This event will take place prior to the MEXTESOL 42nd International Convention in Cancun, 5-8 November 2015.

### Learn from Experts

Leading experts in the field will conduct sessions on how teaching methodology has changed in the last decade, what an effective language teacher looks like today, and how to successfully engage today's English learner.

### Engage with Colleagues

Through interactive sessions, participants will have the opportunity to ask questions, discuss current challenges, contribute expertise, and network with colleagues from around the world.

### Execute in the Classroom

Participants will leave with new ideas and resources which are easily applicable to any classroom setting. Each session is practice-oriented to ensure participants get the most out of the event.
