**About TESOL International Association**
Founded in 1966, [TESOL International Association](https://tesol.org) is a professional community of educators, researchers, administrators, and students committed to advancing excellence in English language teaching for speakers of other languages worldwide. With more than 13,000 members representing over 150 countries, TESOL fosters the exchange of ideas, research, and peer-to-peer knowledge, and provides expertise, resources, and a powerful voice on issues affecting the profession. Through professional development programs, its international conference, special interest groups, and publications, TESOL engages tens of thousands of professionals to collaborate globally and create a world of opportunity for millions of people of all ages who want to learn English. For more information, please visit [www.tesol.org](http://www.tesol.org).
