** Note: Members are encouraged to choose multiple areas of interest and some members do not choose any areas of interest. The total number of distinct members (5,697) represented in this report is less than the total number of active members as indicated elsewhere in this report.*

Areas of interest are separate from official TESOL interest sections. Areas of interest represent distinct areas in which a member may be interested, rather than official entities in which a member is involved.

Areas of interest which have a very low count may be recent additions to the AOI list, or may reflect overall trends in membership.
