

climate change	a four-hour commute	the conference room scares me	obnoxious coworkers
ineffective leadership	a drop in staff moral	the company logo is slightly offensive	malfunctioning copy machines
suspicious of substance abuse	crooked bookkeeping	a passive-aggressive Post-it note	family issues
my coworkers only sang "Happy Birthday" to me because they wanted cake	a dirty communal microwave	an awkward ice breaker	an addiction to social media websites
a lack of resources	time zone differences	a seminar about how to dance like Drake	stricter regulations
a rise in production	I have no experience	tedious networking	frustration
a fatal typing error	an offensive smell in the office	I dress for the job I want to have	dissatisfaction
a cultural misunderstanding	free donuts	creepy sales assistants	stupidity
technical difficulties	avant-garde marketing strategies	innovative ideas	shock
a great work-life balance	bad tuna fish in the staff canteen	the strict office dress code	success

my boss's unrealistic expectations	falling asleep after lunch	my boss always forgets my name	a lot of publicity
there is never coffee in the break room	a colleague who likes to hug too much	there are never enough pens	they always play reggaeton in the elevators
I don't like to wear pants	time zone differences	nobody knows how to use the new software	the receptionist is very rude
the office is always freezing	my office makes me claustrophobic	environmental concerns	the filing system is unorganized
the catering made everyone sick	a decline in motivation	low tax rates	they did not follow-up on the meeting
Belinda is their spokesperson	someone always steals my stapler	a <i>Game of Thrones</i> marathon	high demand in the market
