2019 ELPT Data Reflection Form

Teacher:

School:

*Please complete per school*

1) How many of your students showed growth through growing a level in at least two domains?
2) Did any of your students exit? If yes – how many?
3) What trends do you notice from the data? (Think about how consistently you saw students, which students came mid year, which students had attendance issues, etc)
4) Did any of your students go down in any domain? If yes- how many & what domain?
5) Is there anything concerning to you about the data?
6) What are you most proud of?
