Focus word-Happy

Decide where to put these words: glad, sad, elated, lucky, downcast, depressed, fortunate, joyous, morose, grieved, contented, pleased.

In the ‘example’ box draw an example of happy. In the ‘non-example’ box draw something that shows the opposite of happy.

On the line order the words from the synonyms and antonyms from extremely happy to extremely unhappy. Use the words in talking and writing instead of ‘happy’.
