

Call for TESOL Online Professional Learning Instructors

TESOL International Association is currently seeking experienced online instructors for several certificate and teacher development online courses for summer, fall, and winter sessions in 2020–2021.

Minimum Qualifications

- MA in TESOL or related field
- 5 years of English teaching experience
- 3 years of experience teaching online courses
- Proven record of successful online/e-learning facilitation
- 3 years of experience in teacher training/professional development
- Demonstrated flexibility and adaptability to work with educators with varied English proficiency levels and varied levels of digital literacy
- Strong intercultural communication skills

Helpful Qualifications

- Prior experience teaching American English E-Teacher courses
- Experience teaching short-term TESOL TESL/TEFL certificate programs
- EFL teaching experience in developing regions
- Teacher development experience for an audience at the [B1-B2 CEFR level](#) (intermediate proficiency)
- Experience in low-bandwidth, low-resource contexts
- Prior experience as an English Language Fellow/Specialist or Peace Corps Volunteer

Application Process:

Apply by **3 July** for summer session, **15 July** for fall and winter

Interested instructors should apply by submitting the following information to this [form](#):

- Cover letter
- Updated CV/résumé
- Student evaluations/surveys from online courses previously taught
- Contact information for two professional references
- Course preference and availability
