TESOL’s Job MarketPlace (JMP) is your key resource for recruiting during the TESOL International Convention & English Language Expo. Recruiters from all over the world come to TESOL to interview hundreds of highly qualified English language teaching professionals. JMP gives you access to TESOL’s popular Online Career Center, enabling you to post jobs, review more than 3,000 searchable résumés, and schedule interviews before the convention and on-site.

Last year, nearly 400 job seekers scheduled interviews through the JMP. Don’t miss this opportunity to recruit at the most important annual event for English language teaching professionals worldwide! Registration opens 1 November 2015 at the TESOL Convention web site, www.tesolconvention.org.
