

TESOL 2015 International Convention & English Language Expo

25-28 MARCH 2015 • TORONTO, CANADA

TESOL's Job MarketPlace (JMP) is your key resource for recruiting during the TESOL International Convention & English Language Expo. Recruiters from all over the world come to TESOL to interview hundreds of highly qualified English language teaching professionals. JMP gives you access to TESOL's popular [Online Career Center](#), enabling you to post jobs, review more than 3,000 searchable résumés, and schedule interviews both before the convention and on-site.

Last year, nearly 400 job seekers scheduled interviews through the JMP. Don't miss this opportunity to recruit at the most important annual event for English language teaching professionals worldwide! Registration opens 1 October 2014 at the TESOL Convention Web site, www.tesolconvention.org.

Job Postings: Once you purchase your booth package, you can post a job on TESOL's Online Career Center. JMP job descriptions will be live through the end of April 2015. Job ads may not be posted anywhere at the convention other than TESOL's Online Career Center. Only registered recruiters may refer to the TESOL convention in job ad text they post with TESOL or elsewhere. Do you have more than one position to advertise? You may purchase additional job postings for US\$185 each.

Recruiters may use the Online Career Center to advertise positions year round. TESOL members receive a monthly e-newsletter, [TESOL Connections](#), which has a link to all available jobs. For more information on using this valuable resource, please contact jmp@tesol.org.

Additional Advertising: You may also purchase ad space in the convention Program Book. To request rates and a reservation form, please contact mmoran@tesol.org.
