APPENDIX A: *Diary Entries*

Diary Entry #1

Dear Diary,

Maybe I'm paranoid, but I'm sure somebody's out to get me. On my way to work, as I was walking to the bus, a pile of bricks was dropped right in my path. They missed me by less than an inch! Then, when I got to the office, I noticed that all of the pens in my desk drawer had been broken in half, and all of the letters that I'd printed out yesterday had been ripped to shreds. To top it all off, when I got home, I found that the windows in my house had been shattered and my cat had been killed. I've never hurt anybody. I can't imagine who could be doing this to me.

Diary Entry #2

Dear Diary,

What an unlucky day! It all started this morning at breakfast when my toast burned. Then my car broke down on the way to work. As I was trying to push it, my dress tore. I finally got to work, but during lunch a food server carrying a heavy tray tripped, and iced tea spilled all over me. Later in the afternoon, my landlord called my office to tell me that the pipes in my apartment had burst and that the whole place was flooded. To top it all off, when I finally got home, I found my cat had died! I sure hope I have better luck tomorrow!
