

## Chapter 6: Appendix D

### Disciplinary Lenses Graphic Organizer Example

Disciplinary Lens	Role Description	Self-Created Visual Representation	Possible Questions
Historian (Wise-Past Observer)	Thinks about artifacts (things made by humans)		
Political Scientist (Rule Thinker)	Thinks about rules, laws, and government (the way we make laws)		
Cultural Anthropologist (People Observer)	Thinks about culture (the way we live, work, and play)		
Economist (Goods Explorer)	Thinks about money and resources (i.e., goods) and how they are and can be used		
Geographer (Environment Observer)	Thinks about the physical environment and how we use it
