

Chapter 7: Appendix A

Anticipation Guide: How Does Language Affect Social Justice?

Statement	Before Reading		After Reading		Textual Evidence	Author and Paragraph or Line
	Agree	Disagree	Agree	Disagree		
My voice is more powerful when I speak in English.						
Staying silent when faced with injustice is acceptable when speaking up would put me in danger.						
I should only speak using one language at a time, and I should not mix languages together.						
I should never use violence to fight injustice.						
Listening to someone else's ideas is equally as important as making my own voice heard.
