

TESOL Membership Country Tiers

Tiers are priced according to data from the World Bank to make TESOL membership affordable and accessible to as many educators as possible. All tiers carry full membership rights and privileges. Your tier is determined by the country where your income is based. For example, if you work in Ethiopia but your employer is based in Australia and you are paid a salary or wage according to Australian costs of living, your Tier is Australia's Tier. If you are paid a salary or wage according to Ethiopian costs of living, your Tier is Ethiopia's Tier.
