Why Attend?

By participating, you'll:

- **Build** your English language teaching (ELT) community and increase support from your colleagues worldwide.
- **Come away** with new strategies, best practices, and tools to meet the needs of multilingual learners of English, new educators, or others you support.
- **Be current** on the latest research in the ELT field.
- **Gain** new perspectives from ELT professionals outside of your work setting.
- **Discover** new programs, products, and other opportunities to advance your career.
