Subject: Where to shop!

Hi Paul,

What's up? I hope you're fine. I'm in Paris now. I know it is your favourite city. It is a wonderful city.

I arrived in Paris two days ago. I did some sightseeing. Firstly, I visited the Louvre Museum. It was a great museum. Then, I went to the Champs-Élysées to have lunch with my friends. There were lots of cafes and restaurants there. After that, I visited the Eiffel Tower and Moulin Rouge. Lastly, I had dinner with my friends in a steak restaurant called "Le Relais de Venise l'Entrecote". Tomorrow is my last day in Paris☺ I want to do shopping to buy some gifts for my family. Can you recommend a place for shopping?

Write back soon!

Love,

Suzan
