Chapter 1: Appendix F

Summative Assessment Rubric

Name _____ Date _____

Use this summative assessment rubric to assess students' comparison of experiencing each mode of the narrative experience (reading, hearing, and viewing). Each comparison reflective response will be assessed on the following:

Points/ Requirements	20 Points	15 Points	10 Points	5 Point
Response Composition (Check one)	☐ 2-page narrative response in Google Docs ☐ 15-slide PowerPoint response ☐ 3-min WeVideo or VoiceThread response, incorporating at least 3 pictures and voice-over completed 3-mode Venn diagram	☐ 1.5–2 page Google Docs response ☐ at least 12-slide PowerPoint response ☐ at least 2-min WeVideo or VoiceThread response, incorporating at least 3 pictures and voice-over ☐ 3-mode Venn diagram missing only 1 completed section	☐ 1-page Google Docs response ☐ at least 8-slide PowerPoint response ☐ at least 1-min WeVideo or VoiceThread response, incorporating at least 2 pictures and voice-over ☐ 3-mode Venn diagram missing only 2 completed sections	☐ less than a half-page Google Docs response ☐ less than 8-slide PowerPoint response ☐ less than 30-second VoiceThread or WeVideo response, which may lack either an image or voice-over ☐ 3-mode Venn diagram with at least 3 sections missing
Response Requirements (Content)	All 6 questions Answered: ☐ How were the experiences of reading, hearing, and seeing similar? ☐ How were they different? ☐ Which was your favorite? ☐ Why? ☐ Which was your least favorite? ☐ Why?	Only 4 out of 6 questions answered: ☐ How were the experiences of reading, hearing, and seeing similar? ☐ How were they different? ☐ Which was your favorite? ☐ Why? ☐ Which was your least favorite? ☐ Why?	Only 3 out of 6 questions answered: ☐ How were the experiences of reading, hearing, and seeing similar? ☐ How were they different? ☐ Which was your favorite? ☐ Why? ☐ Which was your least favorite? ☐ Why?	Only 1 of the 6 questions answered: ☐ How were the experiences of reading, hearing, and seeing similar? ☐ How were they different? ☐ Which was your favorite? ☐ Why? ☐ Which was your least favorite? ☐ Why?
Response Requirement (Accuracy)	Response free of grammatical inaccuracies.	Response contains only minimal inaccuracies, which do not weaken the message of the content.	Inaccuracies impede, but do not prevent the reader/viewer from understanding the message of the content.	Inaccuracies deflect from the message of the content.
