

Chapter 1: Appendix E

Formative Assessment Rubric

Name _____ Date _____

Use this formative assessment rubric to assess students' reflection process, after experiencing each mode of the narrative experience (reading, hearing, and viewing). Each reflective response will include the following:

Points/ Requirements	5 Points	3 Points	1 Point
Response Composition (Check one)	<i>Composition Choices</i> <input type="checkbox"/> 1-page Google Docs response <input type="checkbox"/> 5-slide PowerPoint response <input type="checkbox"/> 1-min WeVideo or VoiceThread response, incorporating at least 1 picture and voice-over	<i>Responses</i> <input type="checkbox"/> at least half-page Google Docs response <input type="checkbox"/> 3-slide PowerPoint response <input type="checkbox"/> at least 30-second VoiceThread or WeVideo response, incorporating at least 1 image and voice-over	<i>Responses</i> <input type="checkbox"/> less than half-page Google Docs response <input type="checkbox"/> 1-slide PowerPoint response <input type="checkbox"/> less than 30-second VoiceThread or WeVideo response, which may lack either an image or voice-over
Response Requirements (Content)	All 4 questions answered: <input type="checkbox"/> Was it an enjoyable experience? <input type="checkbox"/> What do you think was the main event of the story? <input type="checkbox"/> How did the story make you feel? <input type="checkbox"/> Would you like to read another story by this author?	Only 3 out of 4 questions answered: <input type="checkbox"/> Was it an enjoyable experience? <input type="checkbox"/> What do you think was the main event of the story? <input type="checkbox"/> How did the story make you feel? <input type="checkbox"/> Would you like to read another story by this author?	Only 1 of the 4 questions answered: <input type="checkbox"/> Was it an enjoyable experience? <input type="checkbox"/> What do you think was the main event of the story? <input type="checkbox"/> How did the story make you feel? <input type="checkbox"/> Would you like to read another story by this author?
Response Requirement (Accuracy)	Response free of grammatical inaccuracies.	Response contains only minimal inaccuracies, which do not weaken the message of the content.	Inaccuracies deflect from the message of the content.
Total	_____ / 15		

If responses are in between the point descriptions provided, you may award 4 or 2 point values to individual requirement sections.
