

**THINK, PAIR, SHARE #1**

*When prompted, fill in and share*

A time when I was limited by my language or knowledge about a subject (e.g., when I file my taxes, when I learned about a medical diagnosis, when I was at the auto mechanic):

How I felt:

How I reacted:

How the “knower” responded to my lack of understanding:

## **THINK, PAIR, SHARE #2**

*When prompted, fill in and share*

After watching the clip from Benegas's TEDx talk ([www.youtube.com/watch?v=t1gcinsjuZE](http://www.youtube.com/watch?v=t1gcinsjuZE)), please fill in the blanks with examples of "not knowing" from your teaching experience. Include how you felt and how you reacted in each situation. When it is time to share, include anecdotes about how you learned these lessons.
